An Amazing Sale of Women's, Misses' and Juniors' Coats, Suits and Dresses

Coats, Suits and Dresses

This Is the Most Important Page We Have Printed This Year. If You Fail to Profit by It, You Lose More Than We Do.

Somebody has suffered, of course, and suffered heavily. You can't see January prices in October without knowing that. But this time we can't give names and details. Never mind how it happened—let it suffice that here is a collection of suits, dresses and coats, large and varied enough to stock a good-sized store, which you can buy now—in October—at prices that would look reasonable after Christmas.

The extraordinary thing about it is that the collection is so superbly comprehensive.

It covers practically everything in outer-wear for women, misses and children, from the cheapest dress to the most elaborate tailored suit. And we have helped this along a great deal by putting several thousand dollars' worth of our own regular-stock garments into this sale.

The Values Quoted Below Are Given Honestly and Conservatively. They Represent the Prices That You Would Actually Have to Pay, at This Very Store, For the Same Garments If Sold Under Ordinary Conditions.

Women's Tailored Suits \$13.75

Values up to \$27.50, Tomorrow, at.....

Fascinating new styles in dependable materials. These suits were made to sell at \$27.50, and their careful tailoring, the excellence of the materials and the novelty of the model would justify that price. But note this important point:—

Just as important as the material and cut of a tailored garment are the interior details which are never seen. The skeleton of the coat, which gives it form, and a hundred little stitches and small points which mean so much in the life and appearance of a suit.

ALL THESE PARTICULARS HAVE RECEIVED THE MOST CAREFUL ATTENTION in the suits in this assemblage. The models are the smartest produced this fall, presenting all the new points of Robespierre collars, belted backs, semi-Norfolk effects, cutaway coats and skirts, with the new fullness introduced, as well as the ever popular and conservative plain-tailored models. The materials are BROADCLOTH, ZIBELINE, ENGLISH SUITINGS, VERY WIDE WALE DIAGONALS, SHADOW-STRIPED CHEVIOTS, QUEEN'S MOURNING, BLACK-AND-WHITE MIXTURES, STRIPES AND NOVELTY WEAVES.

Most Reasonably Priced and in the Best of Styles Are Our Women's Suits at \$16.50, \$19.50, \$25, \$29.50 and up to \$98.50

The variety is exceptionally wide, comprising SERGES, MIXTURES, DIAGONALS, ZIBELINES, CHEVIOTS, BROADCLOTHS, WHIPCORDS, CORDUOYS, CHARMEUSE, etc., in every possible combination, and at a price to satisfy every woman.

TO MERELY SEE OUR DISPLAY IS TO MAKE A CHOICE IN OUR READY-TO-WEAR STORE WITHOUT WANTING TO GO FURTHER!

Women's Dresses at . . . \$5.95

Measured by Every Fair Standard the Values Range to \$9.75

These fascinating dresses are made of heavy quality messaline, fine men's-wear serge, storm serge and two-toned Bedford cord. All the novelties used on demi-tailored frocks appear in these pretty creations:—Robespierre and flat collars, coat effect; long and five-eighths sleeves, trimmings of bengaline, braid, velvet, satin and fancy buttons. Dainty little neck bows and many charming touches and details.

Dresses Made to Retail Up to \$25, Tomorrow, \$12.75

Fascinating styles of charmeuse, crepe meteor, superior messaline satine, fine all-wool men's-wear and French serges, and serges with pin-stripes. All of the "fancies" of the hour will be found among the great variety which composes this assemblage. Draped skirts and plain, simulated coats. Eastern girdles. Robespierre and Napoleon collars, Dutch and high necks, cutaway coats, gathered backs and plaits introduced.

VELVET, BRAID, BENGALINE, SATIN, CONTRASTED COLORS, FANCY BUTTONS, SHADOW LACES, TULLE, FROGS and BRAID BINDINGS are some of the trimmings and touches which lend distinction to these charming dresses and frocks. A truly remarkable offering of high-class garments at money-saving prices.
